US Accounting Associate

📍 New York City (USA) and/or Hybrid (East Coast)

ABOUT US AND THE POSITION

Amesto Global is a partner-led boutique firm offering bespoke solutions to companies expanding both domestically and internationally. We are client focused and embrace technology in all aspects of our work practices. We work hard to automate our processes as much as possible to deliver timely information to our clients.

As part of our growing U.S. team, we are seeking an *Accounting Associate* with at least two years of experience to support our clients with transactional accounting, financial reporting, and operational support. This role provides an excellent opportunity to develop your expertise in a dynamic, international environment while working alongside experienced professionals.

KEY RESPONSIBILITIES

1. Financial Accounting & Reporting

- Assist with monthly, quarterly, and annual financial close processes, including preparing journal entries, account reconciliations, and financial statements.
- Ensure accurate and timely recording of transactions, maintaining compliance with US GAAP and company policies.
- Support the preparation of management reports, variance analysis, and financial summaries for internal and external stakeholders.

2. Accounts Payable & Accounts Receivable

- Process vendor invoices, employee expense reports, and payments, ensuring proper approvals and documentation.
- Manage accounts receivable, monitor outstanding balances, and follow up on overdue payments.
- Reconcile and manage purchase orders and sales orders, liaising with vendors and customers to resolve discrepancies.

3. Banking & Reconciliation

- Perform bank and credit card reconciliations, identifying and resolving discrepancies in a timely manner.
- Assist in maintaining cash flow records and forecasting, ensuring adequate funds for operations.

4. Compliance & Process Improvement

- Ensure compliance with federal, state, and local regulations, including sales tax, payroll tax, and other financial reporting requirements.
- Support the implementation of automated financial processes and cloud-based solutions to improve efficiency and accuracy.

5. Client Support & Advisory

- Act as a support for client inquiries related to accounting, financial reporting, and operational matters.
- Collaborate with internal teams to deliver seamless accounting and business support to a diverse international client base.
- Provide insights and recommendations to enhance client financial processes and reporting accuracy.

QUALIFICATIONS & SKILLS

- 2+ years of transactional accounting experience.
- Degree in Accounting (preferred), Finance, or related field.
- Working knowledge of US GAAP principles.
- Strong analytical skills and attention to detail.
- Proficiency in Microsoft Office and cloud-based accounting softwares.
- Ability to work independently while proactively collaborating with a global team, in a fast-paced start-up environment.
- Strong organizational and deadline management skills.
- Authorized to work in the USA.

WHY JOIN US?

- Be part of a forward-thinking global team dedicated to excellence.
- Flexible hybrid work policy.
- Work on exciting projects with a diverse and international clientele.
- Career growth opportunities in a fast-growing international firm.
- Access to opportunities for professional growth and career advancement.
- Competitive compensation and benefits package (Health, Dental, Vision and 401K).
